

Who What Where When ???

Welcome to the Who-What-Where-When Guide for Apogaea 2011!

It doesn't matter how you mix 'em, there's a whole lot of W's out there, and this book is here to help you find 'em all: events, art, and camps.

Also, remember that fun, events, and art will be occurring in unscheduled and unplanned locations. But, **DON'T WANDER OUTSIDE THE BOUNDARIES** looking for them, as this is grounds for expulsion from the event.

Apogaea is what you make it:
The entertainment is what you and your fellow participants create.
Whatever your special talent might be, share with us!

Check at the Info Booth or individual camps for events not listed in this guide.

Have an idea that you'd like to bring to Apogaea 2012?

Or ideas for how to make Apo better?

Wanna volunteer to be more involved in the planning of Apogaea?

Look for notices about serving on the Board, lead position openings, theme contest, flyer/ticket design contest, and the Creative Grant cycle!

THEME CAMPS

*Indicates a recipient of an Apogaea Creative Grant

Bing Zombie Saloon

Tommy knockers, spike drivers, silk road prostitutes, monkey rustlers, long-dead crooners and deep space truckers will be tossed together to co-mingle in the dim, flickering lanterns of the Bing Zombie Saloon. So shine up yer tin and belly up for cup after cup of our fine fermented zombie squeezins. Lay that pistol down and pick from the ample red light ladies. Dosey doe your dusty boots until they have worn bare... Shut up, hippie.

Bus Lightyear

...to Burning Man and BEYOND!!!!

Camp Eruption!*

A fiery volcano emerges from the mountains of the Apogaea landscape. Here individuals ready to boogie will find an eruption of epic electronic music from some of Colorado's top DJ's. The volcano will erupt nightly, while surrounded by a variety of fire performers for your sizzling entertainment.

Camp Wardrobe Malfunction

Camp Wardrobe Malfunction is an experimental free fashion station and burlesque camp at Apogaea. Come visit our skilled wardrobe engineers for an innovative and creative new look, and then take a saunter down our runway to the pulsating, gyrating beats of our stellar DJ's. Our music is carefully chosen to ecstatically release your inner GLAM. Did your pole dancing last night rip the crotch out of your favorite sequined pants? We also provide costume repair. Don't have a costume for Apogaea? Decided on jeans and a t-shirt for the weekend? Careful you might get BUSTED by our roaming crew of fashion police intent on preventing fashion emergency's. Citation recipients from our police will be taken into custody for fashion makeovers. Careful, they have fuzzy handcuff and bootywackers!

CWMF is ALWAYS looking for costumes and clothing. Please bring any costumes, accessories and clothing items in clean condition that you no longer need or bring something wonderful to make someone's day, or outfit that person new to Apogaea. We will be accepting donation all weekend. And appreciate your contributions so that we can costume the world!

The Carnival Café*

Come eat some pancakes, drink some coffee, and find yourself in a bizarre BM carnival atmosphere! Laugh until you cry, don't be shy!

Center Camp 2.0

Center Camp is back and bigger than ever following last year's hail-o-pocalypse. If you want to perform a sketch, sing a song, read a poem, come and let us be your outlet. Stop by the info booth for an updated schedule of events or come and see us to schedule one.

Circus of Fear*

A new circus is in town! Unfortunately, there seems to be something wrong with the clowns. As you enter the "Circus of Fear" haunted house, you realize that you may never get out alive!

Cuddle Cavern/Body Magic Camp

Come join us as we explore the richness and sensuality of being present, open, and curious in our bodies. BF Journey, Hug/Spunk parade, BF Dance.

Demon Funkies Instrument Orgy

Demon Funkies are back and jammin! bring your conga or instrument and come play and dance and sing to some live music! We like to get down kinky style and let it all hang out. Let's get dirty and funk!

Glow-Me Gnomie

The Glow-Me Gnomie camp will feature a 35ft tall gnome that smokes a pipe and the 'fire' will travel up the pipe into the lungs and then spiral into the gnome's head. Come and check him out!

Green Room

The Green Room exists for those who are green friendly while bringing you an entire environment where you are able to enjoy multi talented dj's, live art, food and drinks. This camp will be indoors with an all green color scheme. If you're going green this is the place to be. :) (Located at Space Camp)

High Flying Society Circus:*

Behold and be bewildered by the dazzling and daring circus antics of the High Flying Society, boasting the highest outdoor aerial rig and highest level of aerial talent. This show will combine aerial acrobatics with elements of dance, burlesque, and vaudevillian revue into a dizzying display of preposterous proportions.

The Hole in the Wall

Who - Drinkers with sharp objects

What - The Hole in the Wall

When - Whenever you stop by

Where - Out in the woods, but inside the event boundaries!

Hula Hideaway

Hula Hideaway is back this year to bring the tropics to Apogaea! Come chillax among the butterflies in our tropical luminescent cave, shake your hula skirts and hula ilau to some beach tunes on our platform dance floor, lounge in a hammock with a boat drink from our playa tiki bar, or discover one of our charming places among the palm trees to relax your troubles away! Our hula girls and hula boys look forward to hosting some hoopla including our Grand Aloha Luau on Thursday night and daily safari tours of the wildlife of Apogaea. Check out the Who What Where for details on our daily events.

THEME CAMPS

Illumination Station*

Like a nighttime sun, the Illumination Station shines brightly welcoming weary and lost Apogeaans out of the darkness. A solar oasis to warm, rest, and relax, while on their nocturnal journeys. Dancing and philosophical discussions also encouraged. Come to the Sun....

Illumitorium

Illumitorium will stimulate the largest part of your brain dedicated to sight processing and visual memory. In the dark of night, our camp seeks to stimulate the minds and memories of the Apogaea community through both managed optical shows and self guided interactive light and glow in the dark (GID) exhibits. During the day, we will offer a chill space for the community when to relax and process the multiple stimuli that Apo offers.

Kum & Glo Refueling Station*

Here at Kum & Glow our refueling attendants put your needs first. With home-brewed beer, convenience store goodies, and illuminated fun, Kum get your needs met!

Luminous Flux*

Ever-changing, Luminous Flux is a veritable cornucopia of music; Jazz, Funk, 70s, 80s, Rock & Punk during the day, all manner of dance music at night & the soon-to-be-infamous Dong Gong Show. Shine on, you crazy diamonds!

My Casa Hedron

Come join us in our festivities of food and art. Friday Morning join us for pineapple upside down pancakes and/or various toppings on pancakes. Come Saturday morning for our omelet bar and win some gift prizes from our ring toss the sculpture game.

New Kingdom of Transcendental Bass*/Illuminated Gateway*

Shake your booty into the next dimension as our truck drivers transport you to a completely new realm. Enter through our Illuminated Gateway and stand amongst our throbbing monoliths. Prepare to be connected to a next-level lighting experience as our subsonic frequencies elevate you to dangerously evolutionary levels. Welcome to the New Kingdom of Transcendental Bass.

Niflheim

The Norse "land of freezing mist and darkness, and the location of Hel." Come see the Chromosphere, a geodesic layer of light and sound – an experiment in synaesthetic ambiance!

The Shitters*

Oh Shit... they're back! Better than ever this year, the "cleanest smelling potties in Colorado" will be hosting a many wonderful events.

Space Camp*

Space Camp is back! This year we're at it harder than ever trying to bring you the freshest beats, cosmic lights, and stellar art from our friends and family. New this year you can chill out of this world in the Space Lounge/ Art Gallery! Are YOU ready to blast off?

TWRG-3000

The TWRG are busting open a stargate to transport you to our past and your future. Our mecha-camel riders in the sky will smite your ears & storm your booty with unholy blasts from the nether regions of a thousand camels.

ART INSTALLATIONS

*Indicates a recipient of an Apogaea Creative Grant

Abstractum*

Abstractum is a collaborative effort to cultivate the consciousness surrounding our symbiotic relationship with our planet. Our Mission is to bring people together, to discuss our expression and enact that very expression in a sustainable, artistic and creative way using natural & found objects as art. These objects are to be replaced to their original resting places, which will take a keenness of the participant. The collaborative effort brings about creativity in a society that craves for interaction, in a positive setting.

Ars Mutatus*

While preparing the new land for Apogaea 2010, DPW workers came across a strange metal form buried in the dirt. They accidentally powered it up, much to the delight of participants. They named it Ars Pristinus, meaning Ancient Art. Upon returning to Apogaea in 2011, we discovered that the large alien structure

had grown both in size and complexity. What will happen when we power it up this time?

Astral Calendar elecTRON Dome*

Climb into an Atari. Our racer stripes light your imagination, but hey, I was into this style when it was popular back in the thousands. Before the movie you saw this year. Wait...there was an 80's version? Bring highlighters if your rods & cones need melting!

The Combobulator*

Night time activities got you discombobulated?! Come dance and sing to the Combobulator each night after dark... it's a reactive video system that tracks your movements, listens to your sounds and then generates images, colors and/or patterns that fire positive synapses in your brain. (Results may vary.)

The Foxfire Project*

As you embrace the grand celebration of Apogaea, visit the fire foxes & remember the native fauna of the land we borrow & enjoy

ART INSTALLATIONS

here in beautiful Colorado. These playful sheet-metal foxes are an expression of appreciation for Colorado's natural beauty inspired by the mischievous tricksters of Japanese legend, kitsune. Find all six: waving, stretching, dancing, stargazing, surprised, and joyful.

Get Contaminated!*

The Eccentric Fashion Factory has recently exploded leaving Apogaea covered in glowing toxic goo! Be a part of the festive wide-effort to clean-up! Inside the Dream Den. Stop by for Yoga at 11am and Happy Hour at 11pm!

The Great ManAgain Project

A tribe of sexy plastic torsos, liberated from their cardboard traveling vessels and elevated to sublime, cosmic & possibly DIVINE levels of creative existence, by at least 20 different Apogaeian artists. Keep your eyes out for a parade! A small number are still waiting to meet their creators. Stop by Camp Wardrobe Malfunction if you wish to give a new, creative life to a limbless, voiceless traveler.

Hot Head

Hot Head is a large steel human head that will burn!

Illuma-doodle!*

Illuminate your mind and body and share in the phosphorescent fun with your old and new friends with Illuma-doodle! Using UV LED's and perhaps some UV lasers draw on our wall and watch it react and glow for a few tantalizing seconds.

Illuminate the Night*

A welcoming arch that illuminates the sky!

Interstellar Gum Drops

From the farthest reaches of the galaxy, an Unidentified Food Object will land at undisclosed coordinates. Is it an alien life form or a tasty treat of transdimensional teleportation? Are they benevolent observers to witness the transformation of the human race or here to replenish their fuel cells on the energy of hippies and dubstep? What little is known about these Interstellar Gum Drops is that as Apogaea progresses, they will soak in the Illumination of the participants and make all those who have first contact wonder what they hell they are.

LifeLights*

Come find us in the night's darkest hours to learn about bioluminescence. Lend your ears, your eyes, your brains, and your heart. Discover a majestic twinkling lights show brought to you by mother nature and the energy of your participation, & reflect with other travelers on our interactions with the environment around us.

Liquidity*

Ahhhhhh! Liquid refreshment! If only there was a way to have non-boring water! Check it out, there is! Thanks to Domestic Scientists,

you can enjoy hot and cold beverages that will bring the joy back to drinking. Drink up! Enjoy.

Lurch

Crazy giant wheeled tricycle

Musical Universe of Faux Fur Flowers*

Sound interactive forest of glow fur flowers.

Pooka*

The Apogaea mountain Goddess was pissed last year. But why, what upset the Goddess? The answer came to me through the thunder. She demands, "MORE el-wire! More bunnies! ROAR!" Here to obey the calling, for your protection, the Pooka. These enhanced telepathic Pooka wordlessly invade your grey matter. According to Celtic legend they have been known to give advice, confuse, amuse and/or terrify humans, but their duty is benevolent.

Purple Parasite

An art car from the Purple Palace team.

Sculpture to Measure Air Pollution*

21st century smog sculpture to measure particulate air pollution by artist R.G. Wakeland. Contribute to group sculpture. Capture particles on recycled materials. See what you're breathing!

Smoking Glowing Gnomie*

The Glow-Me Gnomie will a 35ft tall gnome that smokes a pipe and the 'fire' will travel up the pipe into the lungs and then spiral into the gnome's head. Come and check him out!

Solar Pyrographer*

Harnesses sunlight to burn images into wood.

String Theory Dome

A slightly modified dome to act as a reusable canvas for black light string art. There are almost an endless amount of ways to configure each setup & will evolve into something new each time.

Sway*

Sway is a mesmerizing hanging mobile that will be suspended from a large copper sculpted frame. Be mesmerized as the seeds of life move above your head. Sit or stand beneath the handmade paper pods as they sway and circle above you dancing in the wind.

Sweetie Potamus*

Remember when everything was possible? That Santa really could bring you a hippo for Christmas? Take a ride in Sweetie Potamus and relive those dreams. Step into the pink hippo and join us in our living room inside ready for Christmas eve with friends. Come share stories and laughs as we take you around Apogaea.

ART INSTALLATIONS

Synsthesia*

Synsthesia is a fully immersive audio-visual environment designed to supplement the default human experience with an entirely new and more enticing version of reality. It consists of a pyramid-shaped computer-based synthesizer capable of producing and tweaking sounds in ways limited only by the imagination and an intelligent digital echo chamber allowing you to interactively modulate and fractalize your voice & any other sounds inside the installation.

Temple of Moon*

The Temple of Moon will bring the Temple experience of Burning Man to Apogaea 2011. This unique bridge like structure for 2011 was inspired by & is dedicated to the late Rachel 'Moon' Fulmer-Winkelman, her husband Martin 'Col Mustard' Winkelman & their baby, the late Urias Gabriel Winkelman. Come leave your messages, gifts, prayers, & offerings during the event. For those who wish to experience the burn, show up just before sunrise on Sunday.

ThoughtScape

An immersive poetry experience that weaves together spoken & written words across space & time. It is an interactive real-time conversation between human participants & electronic voices that follow each other in a connected stream-of-consciousness dialogue exploring profound, poetic & sometimes silly topics. ThoughtScape brings to life thousands of thoughts, reflections and poems scattered across the Cyberspace and weaves them into a magical co-evolving dialogue with your own creativity.

The Universal Vagina of Light*

Experience ONENESS.

Zenith*

While Zenith is the pinnacle of a celestial body, Nadir is the base, sitting directly beneath the observer. Nadir is a place where participants can come and reflect, providing an opportunity to reconnect with the elements and with themselves. Choose your platform. Choose your path. Stop to take in the beauty of the world, or leave your own token on an altar. Reconnect with the universe. Contemplate. Meditate. Celebrate.

Apogaea gave out \$17,500 in creative grants this year.

Will your art piece/performance/workshop/effigy be the star of 2012? Start thinking about your project NOW—2012 grant cycle starts this fall and deadlines are earlier than you think! Keep an eye on the message boards, facebook and www.apogaea.com for updates!

SUNDAY EVENTS

3:45 am

Temple of the Moon White Procession Temple Guardians & Temple Crew invite all Apogaeans to participate in a White Procession before the Temple Burn. Arrayed in our white outfits & adorned with ceremonial amulets of personal import, we will collectively & meditatively circle the perimeter of the Temple of Moon in silence, ascend its staircase, & cross over its bridge for the last time. The Temple will close directly following the White Procession & be physically moved & prepared to burn. What to bring: acoustic instruments, Tibetan bowls, incense, a full heart, intentions & release, as well as libations & sustenance to share with your fellow Apogaeans as we await the Temple Burn.

The Temple of Moon Burn will take place at daybreak Sunday morning, around 6am. Photographers: arrive before 6am to capture the colors of the burn, our beautiful community, and the emerging sunlight of the new day.

Before Sunrise

Temple of Moon– The Temple of Moon will bring the Temple experience of Burning Man to Apogaea 2011. This unique bridge like structure for 2011 was inspired by and is dedicated to the late Rachel 'Moon' Fulmer-Winkelman, her husband Martin 'Col Mustard' Winkelman and their baby, the late Urias Gabriel Winkelman. Come leave your messages, gifts, prayers, and offerings during the event. For those who wish to experience the Temple burn, show up just before sunrise on Sunday morning.

No Later than 6pm

Exodus – Be safe driving home! And, don't forget to pack out what you've packed in. LEAVE NO TRACE!

Apogaea is a LEAVE NO TRACE event!

Take a moment to remove all MOOP (Matter Out of Place) from your camp area and help to de-MOOP some areas where you did not camp.

If you had a blast, consider how you'd like to be involved next year.

We'll be looking for star volunteers to lead the team in 2012!
