ALCHEMY**

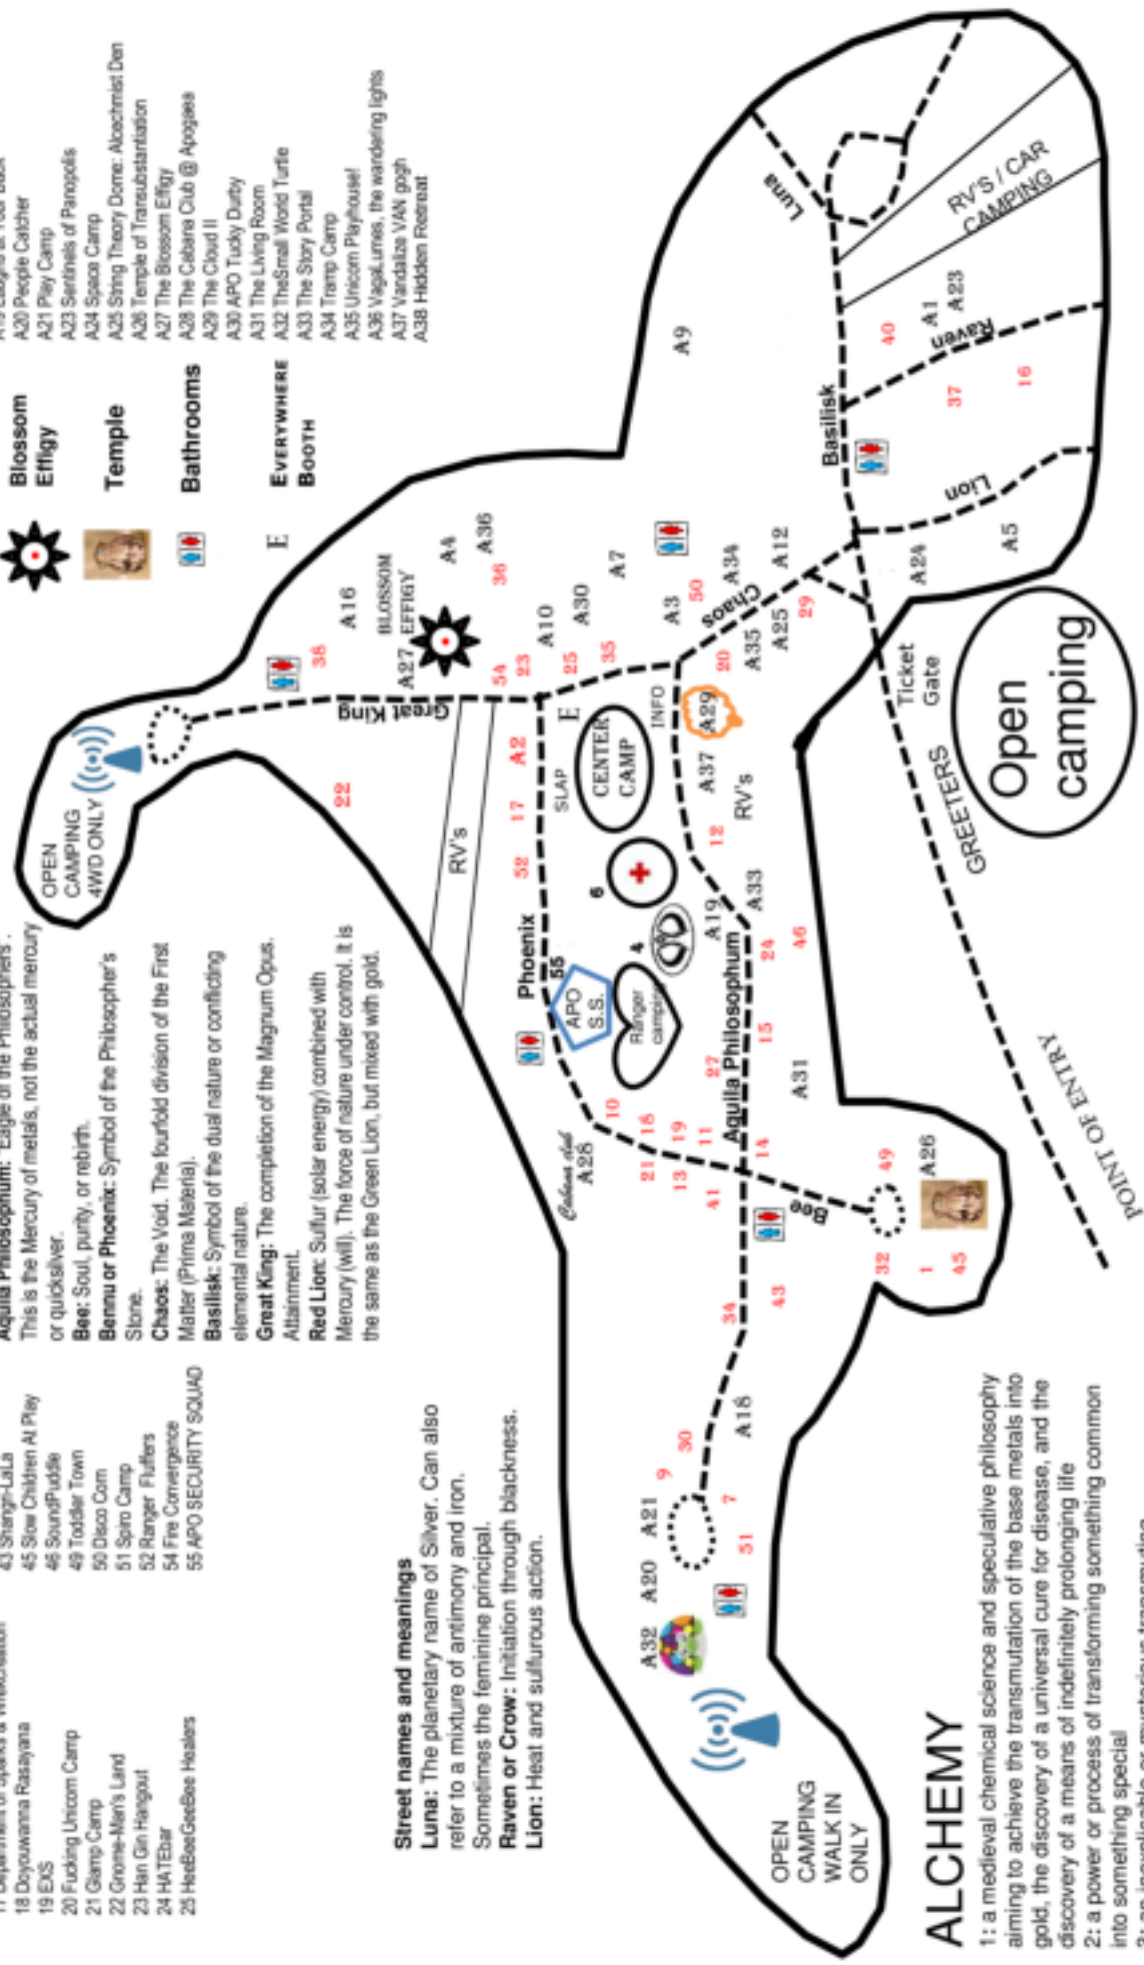

Street names and meanings
Aquila Philosophum: "Eagle of the Philosophers". This is the Mercury of metals, not the actual mercury or quicksilver.
Bee: Soul, purity, or rebirth.
Benmu or Phoenix: Symbol of the Philosopher's Stone.
Chaos: The Void. The fourfold division of the First Matter (Prima Materia).
Basilisk: Symbol of the dual nature or conflicting elemental nature.
Great King: The completion of the Magnum Opus, Attainment.
Red Lion: Sulfur (solar energy) combined with Mercury (will). The force of nature under control. It is the same as the Green Lion, but mixed with gold.

Street names and meanings
Luna: The planetary name of Silver. Can also refer to a mixture of antimony and iron. Sometimes the feminine principal.
Raven or Crow: Initiation through blackness.
Lion: Heat and sulfurous action.
