

Trim Line = final trim size ordered

Safety Line - no TEXT beyond this line

***BLEED is required** - to ensure ink coverage goes to the very edge of the end product, make certain to extend any graphics/artwork past the "Trim Line," to the very edge of this template.

48HourPrint.com

Perforations - can be placed anywhere

Numbering - can be placed anywhere within the "Safety Line" and a 1/4 inch away from perforations

Mockups - we ask for an addition file (JPEG/PDF) to be provided to illustrate where the perforation/numbering is located

Please Note - that if the ticket design has a dark background color, a white box is needed for the numbering to print in
- when designing a two-sided ticket, the ticket "Stub" needs to be placed at opposite ends in order for them to backup correctly

Delete this template when done, or ensure the artwork covers it completely, DO NOT submit artwork with this template showing.
