Perforations - can be placed anywhere

Numbering - can be placed anywhere within the "Safety Line" and a 1/4" inch away from perforation

Mockups - we ask for an additional file (PDF/JPEG) to be provided to illustrate where the perforation and numbering is located

Please Note - not all Postscript design files work on a background color, a white box is needed for the numbering to print it

Color files require color ink, so make sure you have color ink in your printer. **DO NOT** use Postscript with this template design.
